9th September 2020

Dear Parent

Walk to Chapmanslade Park

As part of our topic Our Local Area, I am arranging a walk to Chapmanslade Park for the Year 1 children in Blossom Class. During the walk, the children will have an opportunity to explore the village and the houses and homes that are part of it. We will be stopping at different areas of the village to discuss what we have seen and record our findings using ipads.

Due to the COVID19 situation and the small number of pupils going, we do not require parent helpers to accompany us on this trip. Both Mrs Hopkins and I will accompany the children so that no new adults are introduced into the class bubble. Please be assured that our Risk Assessment for the trip includes measures to minimise the risk of catching or spreading COVID19.

For the walk, the children will need:
- school uniform
- a sturdy enclosed pair of shoes suitable for muddy or wet ground
- a waterproof coat
- a sun hat and suncream already applied
- any medication they would normally have (e.g. inhaler)

The trip is scheduled for Tuesday 15th September, departing school at 1.15pm am and returning at approximately 2.30pm.

Please complete and return the slip below by **Friday 11th September**, indicating whether you give permission for your child to go on this trip. Please note that is trip will not go ahead unless all parents give their permission. In addition, the trip will be postponed or cancelled in the event of extreme weather.

Yours sincerely,

Mrs McDowall
