Dear Blossom YR Parents

I am delighted to report that our new Reception pupils have settled into school life very successfully over the last week and a half. Thank you for the support you have given the Blossom team in making the children's first days at school such happy ones.

From next week, Reception pupils will stay at school for lunch and will enjoy a second playtime after eating. **Please remember to order a packed lunch through our caterer Lataca.** Parents should collect children at 1:15pm. This extra 90 minutes at school can be very tiring for some children.

However, I want to offer your child the opportunity to remain at school for a full day on Tuesday, Wednesday and/or Thursday **if you feel that your child is ready to stay for a full day.** I hope that this offer will be helpful to parents, but I must stress that your child is welcome to leave at 1:15pm.

In order to help Mrs McDowall and Mrs Smith to plan a carefully organised series of activities, we must know in advance which children will remain at school. Please complete the table below and return it to the school office (black parent post box on the wall) by Friday 18th September at the latest.

Yours sincerely
Mrs Chapman

Please complete and return to school by Friday 18th September
