Dear Parents

## **Christmas 2020 Memories**

Sadly, there will be no nativity or carol service this year due to national restrictions linked to Covid-19. However, we will ensure that our pupils have plenty of other opportunities to prepare for Christmas. In order to include parents, we would like to share photos and/or short film clips of the children enjoying the Christmas preparations at school during the month of December.

The easiest way for us to do this is to compile a montage that we can share with all parents. This means that a photograph and/or recorded clip of your child could be shared with other parents. We will not name any child included in the montage. We will not live stream any school event, but will include carefully selected images and/or film clips only.

If you would like your child to be included in our 'Christmas 2020 Memories', please sign and **return the consent slip below by Friday 27<sup>th</sup> November.**

By giving consent to allow us to share photographs of your child, you also agree NOT to share or upload to the internet, any images, and/or film clips included in the montage, because other people's children are likely to be in the picture. You may share the link to the montage with trusted family members, such as grandparents, as long as they too agree not to share any images via social media.

Yours sincerely  
Mrs Chapman

## **Christmas 2020 Memories**

I would like my child to be included in a montage of photographs and/or film clips taken during Christmas preparations in December 2020. I consent to a montage that includes my child being shared with all parents in the school.

I understand that if I do not give consent for my child to be included in the montage, I will not receive more than one photograph of my own child.

I agree NOT to upload any images, and/or film clips included in the montage, to the internet. If I share the link with family members, I will remind them that they must not share the images via social media.
