environment.

Dear Parent/Carer

## RE: NSPCC's *Speak out. Stay safe.* online programme

As you are aware, this term we participated in the **NSPCC's *Speak out. Stay safe.*** online programme. This consisted of an online assembly and supporting classroom based activities. *Speak out. Stay safe.* is a safeguarding programme available to all primary schools in the UK and Channel Islands. It aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly, interactive way. Children are taught to speak out if they are worried, either to a trusted adult or Childline.

## Feedback - NSPCC pupil online survey (for pupils in Key Stage 2)

The NSPCC would like to gather pupil feedback about the online assembly in order to gauge their understanding about the key messages of speaking out and staying safe.

This will be completely voluntary. If you have agreed that your child can take part in the survey but your child changes his or her mind on the day, that is okay.

All survey returns will be anonymous and confidential. However, if in the process of completing the survey e.g. through something a pupil said, a teacher became concerned for a pupil's welfare we will follow our school's safeguarding procedures.

- ❖ If you would like your child to take part in the survey you do not need to do anything.
- ❖ However, if you **do not** want your child to take part in this survey please sign the slip below and return it to your child's class teacher by **Friday 20<sup>th</sup> November**.

Yours sincerely,

Mrs Chapman
