

CHAPMANSLADE CE VA PRIMARY SCHOOL

**Learning together in a Christian community,
nurturing and developing lively minds in a caring
environment.**

1st January 2021

Dear Parents

I hope that you and your children were able to enjoy a happy, healthy and restful family Christmas despite the last minute national restrictions.

My team and I are very much looking forward to welcoming all pupils back to school on **Monday 4th January**. I assure you that we shall continue to maintain strict class bubbles and excellent hygiene within the school day to stay as covid-secure as we possibly can.

I know that this is a worrying time for many families and I want to reassure you that schools are considered safe places for pupils and staff. We must feel thankful that Chapmanslade School is able to fully open next week and that we are not having to manage the challenges faced by secondary colleagues and many primary schools in the London area.

Please ensure that your child wears plenty of warm layers to school. We shall continue to keep the school well-ventilated with windows open if possible, and will definitely get the children outside for regular breaks, as part of our covid safety measures.

I have attached our [policy](#) for extreme weather conditions as a precaution – let's pray that snow doesn't challenge us all further!

Happy New Year to you all.

Yours sincerely,
Mrs Chapman
