Dear parents

Emergency Supervision for the Children of Critical Workers Application for week commencing 11th January 2021

Please give careful consideration to the full contents of the letter I sent to you yesterday which can be accessed [here](#) before completing this week's application form. You have until MIDNIGHT to submit your application. All applications will be reviewed together on Friday 8th January.

No family should assume automatic access to emergency supervision at school. If the number of requests exceeds our capability, places will be allocated in order of priority. We may be unable to offer supervision to individual children on multiple days – please help us by requesting a place ONLY on days when you have the most urgent need to attend your workplace.

The number of pupils admitted may vary from day to day depending on staffing availability, the Covid-security control measures we have to put in place and any other factors that may affect the school's ability to keep staff and pupils safe.

Emergency supervision will be located in the school hall between the hours of 8:45am and 2:45pm and will be led by our teaching assistants. Pupils will be assisted to access remote learning identical to the remote learning provision for all pupils. Children going to Busy Bees will be handed over at 3:15pm.

Your application must be submitted, using this form (or copying and pasting the questions into the body of an email) by midnight on Thursday 7th January. You will be notified by 3pm on Friday 8th January of the emergency supervision that can be provided for your child during the week commencing 11th January 2021.

Please note that for the purposes of this application, I have used the word "parent" to describe anyone who usually has parental responsibility for a child. If the number of columns available does not represent your personal circumstances, please add an additional note at the end of the form.

Yours sincerely
Mrs Chapman
