

Dear Parents,

We will be continuing with Show and Tell again this term and our topic will be Twinkle, Twinkle Little Star.

We are hoping to build up a collection of items related to our topic in our Discovery Area for the children to explore. If you are happy to loan us any space related items they would be greatly appreciated.

Please note that the groups for Show and Tell have changed this term, so please encourage your child to bring in an item relating to the week's focus on their new designated day of the week. They can also change their library book on their Show and Tell day if they wish to do so. The new groups are displayed in the table at the bottom of this letter.

Show and Tell Timetable:

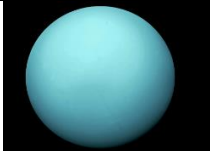

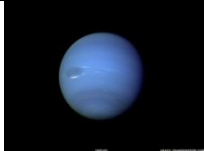

Week Beginning	This Week's Focus
7 th January	Holiday News
14 th January	An activity they enjoy
21 st January	Space (e.g. an interesting fact, a drawing, a book or toy etc.)
28 th January	Something that fits into a matchbox / raisin box
4 th February	Own choice
11 th February	No Show and Tell
18 th February	Half-Term Holiday
25 th February	Holiday News

Thank you for your support and if you have any questions please do ask.

Yours sincerely,

Diane McDowall

Show and Tell Groups (and Library Book Change Day):

<u>Monday</u> Mars	<u>Tuesday</u> Jupiter	<u>Wednesday</u> Saturn	<u>Thursday</u> Uranus	<u>Thursday</u> Neptune
