14th October 2022

Dear Parents,

We have been invited to enter teams for the Stonar School Cross Country competition. Your child has expressed an interest in taking part. Event details as follows:

- Stonar School, Cottles Park, Atworth, SN12 8NT
- Friday, 4th November 2022, time 9:30 - 12:00
- Leave Chapmanslade School by coach at **8:45am** (school funded)
- Completed return slips by **9:00am Wednesday 19th October** (see separate sheet)
- Distance 1.2km (Y3/4) and 1.7km (Y5/6). The course is popular with keen runners as it is tough, steep and muddy. It offers challenging competition for the most determined athletes.
- This year, we are able to enter 4 teams of 6 pupils.
- This is a large event, usually with 16 schools taking part. Pupils remain the responsibility of Chapmanslade School staff.
- Please note that there is no shelter in the event of rain.
- If your child may NOT be photographed, they can wear an orange band to discourage the taking of pictures. However, Chapmanslade School has no control over photography at the event.
- Pupils must wear full Chapmanslade PE kit (named) to school and will race in shorts, purple polo shirt and well-fitting trainers. Running spikes may be worn but your child will be responsible for their own belongings.
- Pupils have the school code and individual athlete number written on thigh and arm. The first 4 finishers in each team make up the school score.
- Pupils are responsible for bringing a full named water bottle. We shall provide biscuits at the finish line for Chapmanslade pupils. Please tell us if your child may NOT eat biscuits.
- As far as I am aware, parents are welcome to spectate as in previous years. I will confirm this in my next letter.

NB I will not be able to select all the pupils who have asked to take part.

Yours sincerely,
Mr Cottrell
