

CHAPMANSLADE CE VA PRIMARY SCHOOL

**Learning together in a Christian community,
nurturing and developing lively minds in a caring
environment.**

8th November 2022

Dear Parents,

Redwood Class - Swimming Lessons in Term 5

Please note your child will be having swimming lessons starting on **Friday 21st April** for 6 lessons, with the last lesson being **Friday 26th May 2023**.

The cost for the 6 lessons including transport is £34.70. I understand that the cost is high which is why we are giving plenty of notice. Prices in general have increased over the past few years, and travel cost increases have significantly impacted on costs. We have searched for alternatives but have not been able to find a better solution.

We do need to ask for voluntary payment to cover the cost of swimming lessons. You are able to set up a payment plan for this, or pay in one go. If you would like to set up a payment plan, please speak to Mrs McCall.

You can pay via online payments using the details below. Please ensure the full balance is paid by **Tuesday 18th April 2023**.

Online bank payment to Chapmanslade CE VA Primary School Fund, sort code: 402119, A/C Number: 81637940. Please put child's name as reference.

Swimming lessons are part of our PE curriculum provision and are therefore compulsory for all children. Those children who cannot yet swim or who have a fear of the water will be supported to achieve their potential in swimming, just as they would be in any other subject. We recognise that from time to time a medical condition may prevent a child from swimming even though s/he is well enough to be in school. On those occasions, the pupil will accompany the class to the pool and will be expected to read. On all other occasions, a child who is in school will be expected to swim.

We will send further details regarding swimming lessons closer to the time.

Yours sincerely,

Mr Cottrell
Acting Head Teacher
