

Oak Class Newsletter Term 3

Teacher: Miss Dyer

Teaching Assistant: Ms Harris

PPA teacher: Mrs Hobbs

Maths -

In both Years 3 and 4, we are focusing on multiplication and division and the links these have with each other.

We look at multiplying a 2 digit by a 1 digit (Y3) and a 3 digit by a 1 digit (Y4) with exchange.

It is so important to learn times tables as this underpins so many areas of maths.

Maths Shed and [timestables.me.uk](https://www.timestables.me.uk) are great ways of practising online.

English

At the end of last term and start of this term, we have focused on a book called the 'Tear Thief' and the children have really enjoyed this. We produced some wonderful newspaper report writing as well as diary entries.

We started a new book called 'Winter's Child' by Angela McAllister. We are gearing ourselves up to write our own version of the story.

Gentle reminders

- PE kits needed on a Wednesday and Friday
- Homework (spellings and maths) on Ed shed set Friday to Friday
- Spelling tests on a Friday morning
- Read at least three times with signature and comment in reading record - this is checked on a Friday morning

If you would like to discuss your child's work, attainment or general wellbeing, please do not hesitate to contact the school to arrange a meeting.

Geography - All around the world

We are looking at -

- The Northern and Southern Hemisphere
- The Equator
- Lines of longitude and latitude
- Polar and tropic regions
- Prime Meridian
- Time zones

Other subjects

PSHE - Our topic is 'Diverse Britain'. We focus on -

- Living in the British Isles
- Democracy
- Rules, laws and responsibilities
- Liberty
- Tolerance and respect

RE - Mrs Hobbs has been working hard with the children this term focusing on the Christian creation story.

PE - On a Wednesday, we enjoy having coaches help us with our fitness and on a Friday, we have dance with Miss Dyer.

Science

Our science topic this term is 'Animals including humans' and focuses on -

- Food groups
- Nutrition
- Food labels and a healthy diet
- Skeletons
- The human skeleton
- Muscles

The children are absolutely loving this topic!

Our amazing baubles at the end of Term 2.
