9th June 2023

Willow Class trip to Haynes Motor Museum, Wednesday 12th July

Dear Parents,

This term Willow class are learning about the changes in travel and transport as part of the History curriculum. This trip will enrich our awareness of the past and the significant people who contributed to the inventions of what we now consider to be everyday machinery.

The children will have the opportunity to assume the role engineer, handling unique car artefacts, and as drivers sitting at the wheel of the first motor car invented and a modern F1 racing car. The day will include a tour of the museum. A team-building exercise will encourage the children to construct model cars, pose questions and enrich their understanding and vocabulary.

Further details can be found at <https://www.haynesmuseum.org>

For this trip, the children should come to school in their usual school uniform. In addition, they will need:

- a waterproof coat and/ or sunhat, with sun lotion already applied (depending on the weather forecast for the day)
- a packed lunch and drink (no glass bottles please) NO fizzy or milk based drinks please
- any medication they would normally have (e.g. inhaler – that is named).

The coach will leave school promptly at 9am and we plan to be back at school by 2.30pm, ready for the end of the normal school day.

The total cost of this trip is £16, which covers entry to the museum, all of the activities and transport.

If any parent would like to join us as a helper for this trip then please indicate on the form below. Please note that this trip can only go ahead if we have sufficient numbers of adult helpers.

Please sign and return the permission slip below, together with your voluntary contribution and place in a sealed envelope with your child's name and 'HAYNES MOTOR MUSEUM' on the front and **hand to the school office by Friday 30th June**. Please note that the trip may be cancelled if we do not receive sufficient voluntary contributions.

Yours sincerely,

Miss Thomas
Willow Class Teacher
